

glasspex India/glasspro India exhibitions

The fifth edition of glasspex India – international exhibition for glass production, processing and products – and the launch event for glasspro India

– international exhibition for flat glass processing and products – at India Expo Mart, Greater Noida, concluded successfully on 25 February 2017.

Over the three day run, glasspex/glasspro India attracted more than 4150 trade visitors. All exhibitors, including many first time participants, commended the arrangement, organisation, venue and the quality of visitors at both events. Most have already confirmed their participation at future shows.

Spread over an area of 4400m², more than 130 companies from 16 countries participated. This included

Over 4150 visitors attended glasspex/glasspro India.

Local exhibitor, Mascot Engineering represented a number of international principals.

Hansaliya Engineers represented a series of European and North American suppliers to the glass industry.

Current members of the Phoenix Award Committee recognised India's first Phoenix Award winner (for 2013), HNG Chairman, C K Somany.

Representatives from Glass Worldwide were present at the Greater Noida event.

HNG Managing Director Sanjay Somany (third from left) was among the VIPs to visit the AIGMF stand.

group participation from Germany and separate companies from Austria, Belgium, China, Czech Republic, Finland, France, Italy, Mexico, Poland, Portugal, Russia, Singapore, the UK and USA.

Joachim Schäfer, Managing Director and Member of the Management Board at Messe Düsseldorf, commented: "This fair has developed into an important trade fair and meeting point for the glass industry, strongly fostering the exchange of ideas, contact making and business deals in the Indian market." Thanking supporting partners AIGMF, VDMA and Glazing Society of India, Mr Schäfer attributed the success in reaching exhibiting companies to the excellent reputation enjoyed by glasspex India as the glass hub for the region and Messe Düsseldorf's strong ties with its partners and companies in the global industry.

The AIGMF's concurrent 'What can glass do for you' conference complemented the range of information and services presented at both exhibitions, with presentations delivered by eminent Indian and international speakers from the glass and related industries (see page 54).

The next glasspro India will be held from 22 to 24 February 2018, in Bengaluru. Retaining its biennial cycle, the sixth glasspex India event will be staged from 6 to 8 March 2019 in Mumbai. ■
