Touring Exhibition **on** **'Adopt a Glass Bottle'**

Select drawings by school children on Glass Packaging

A touring exhibition of select drawings made by school children, on the theme of Glass Packaging being Environmentally Friendly and aiding the Swachh Bharat Abhiyaan (Clean India Campaign).

Unveiled at the platinum jubilee (75-years) event of the AIGMF on Sept 27, 2019 by Mr. Rattan Lal Kataria, Hon. Minister of State for Jal Shakti & Minister of State for Social Justice and Empowerment.

Online entries from children of 7-16 years were invited for Drawing Competitions on the captioned theme, held to commemorate World Environment Day 2018 & International Youth Day 2019, wherein over 4000 students participated from across India.

As the National Apex Body of the Glass Industry, the AIGMF undertakes socially responsible steps as a voluntary service to society, thereby bringing increased awareness of Glass being a safe and 100% recyclable packaging material.
