Order

Pursuant to the orders dated 26.04.2021, 27.04.2021 and 28.04.2021 issued by Ministry of Home Affairs which allowed use of medical oxygen by the industries engaged in manufacturing ampules, vials, neutral glass tubing, oxygen cylinder manufacturing, PSA oxygen generators and defence purposes Government has received representations from various associations that these industries are facing problems in receiving supplies from their respective oxygen suppliers.

2. In view of the need of the oxygen for continuity of operation of the above industries that will complement the supply and distribution of essential items like oxygen cylinders, glass vials for pharmaceutical industries and ventilators for healthcare sector and facilitate defence forces for its swift operations, the oxygen manufacturers and refillers are directed to resume supplies to the industries listed in the annexure to this order with immediate effect.

3. The provision to these essential industries is required to be met from the existing allocations made to the State Governments.
