

glasspex India to showcase alongside glasspro India 2019

Messe Dusseldorf India stages the 6th International glasspex India exhibition from 10 to 12 October 2019 at Bombay Convention and Exhibition Centre in Mumbai. AIGMF will exhibit with preferred international journal, *Glass Worldwide*.

The biennial glasspex India event will be showcased alongside glasspro India, which is jointly organised by Messe Düsseldorf India and *Glass Bulletin* and will feature the entire array of glass ranging from production and processing to applications, offering trade visitors technological innovations, progressive processing techniques and the latest trends in glass applications under one roof.

glasspex India will attract exhibitors from more than 10 countries and companies varying from glass production, processing and finishing technology, measurement and control engineering, tools, replacement, auxiliary, equipment and fittings, contracting, consulting, engineering, research

and teaching, trade literature, trade associations etc.

Exhibitors at glasspex India 2017 included A & L Rondot SAS, All India Glass Manufacturers' Federation (AIGMF), Antonini, Area Impianti, Asahi India Glass, BDF, Bottero, Bühler Alzenau, CAR-MET, Ceracon, CGE Continental Glass Engineering, CNUD-EFCO, Condat Lubrifiants, Cugher Glass, Dukhiram Maurya, Electroglass, EME Maschinenfabrik Clasen, Emmeti, Ernst Pennekamp, Eurotherm, FIC, Fickert and Winterling, FlammaTec, Fonderie Valdelsane, Forma Glas, Fosbel, futronic, GLAMACO, Glass Equipment (an HNG Group company), Glass Service, *Glass Worldwide*, glasstec Düsseldorf, Graphoidal Developments, Hansaliya Engineers, HarbisonWalker International, Henry F Teichmann, Heye International, HNG Float Glass, HORN Glass Industries, ilis, Indotherm, Interglass, IRIS Inspection machines, JSJ Jodeit, Lahti Glass Technology, Lubitech, LWN Lufttechnik, Mascot Engineering, Olivotto Glass Technologies, P-D Refractories, Parkinson-Spencer Refractories, Pennine Industrial Equipment, Pneumofore, Poco Graphite, Quantum Engineered Products, Rafbrix International, Ramsey Products, Sheppee International, SIPAC, SORG, Steklo Souz, Strutz International, TECO Group, Tiama, Total Specialties, Vidromecanica, Waltec, Zecchetti and Zhengzhou Xinguangse Refractory Co Ltd (SGS).

glasspex India is known for its strong partner support from glasstec

Düsseldorf, the All India Glass Manufacturers' Federation and VDMA and has gained significant importance as a platform supporting technological communication and business trade for glass production technologies and processes.

In addition to the exhibition, the three day event will also feature a high profile content-driven conference, highlighting key issues and developments by industry experts. The conference will feature speakers and delegates from Indian and multi-national companies. ●
